Good morning! We need CD13 assistance with parking enforcement. Our food service MUST be able to unload/drop off in front of the building and they are giving us a hard time.

Can you please assist?

Thank you!!

Stephen,

Let me know if the solution you figured out, while we were chatting on the phone, does not work out.

Thank Sean for your quick callback! Looks like we can either pull the van into the blue area in front of the the trash gate and/or use the area in front of the parking lot directly across Schrader (with our security keeping an eye out in case it needs to be moved).

Thanks! Adding Chef J so her team is looped in. 😊
